PRODUCT HIGHLIGHTS

QUICK BLENDING

Utilise 300W of power and two speed settings to blend your smoothies for your personal recipes.

STAINLESS STEEL BLADES

Long-lasting heavy duty blades, that are designed to blend ingredients efficiently.

MANUAL PULSE SYSTEM

In order for the personal blender to commence operation, the user must press down on the 600ml bottle. Giving you more control and lets you achieve the desired consistency.

SAFETY

Unless the user is pressing down on the chosen attachment, the blender will not operate. Adding an extra level of safety.

BPA-FREE TRITAN RENEW™

Lightweight, super-strong, made from 50% recycled material and dishwasher-safe Tritan Renew™ bottle attachments.
