

# PM6912WLDXAU

90CM DOLCE STIL NOVO INDUCTION  
COMBI COOKTOP WITH GAS BURNER

**MADE IN ITALY**

Since 1948

## ULTRA RAPID BURNER

The ultra-powerful triple crown brass burner is able to reach an output of 21.6 mj/h. It's ideal for foods that require cooking over a high heat or for an especially fast preparation when using a wok.

## TWO SURFACE SHARE ZONES

Smeg's Surface Share technology allows zones to be combined and operated with a single control. They are the largest available and square in shape, ensuring that every part of the zone to the edge is usable, without any cold spots.

## BOOST

Provides an additional surge of power for even more intense heat ideal for rapid boiling or stir frying. The temperature will revert to power level 9 when complete.

## PRESET TEMPERATURE SETTINGS

Active Surface Control will activate and automatically illuminate the relevant power control, when a pan is placed over the applicable zone.

## ACTIVE SURFACE CONTROL

Active Surface Control will trigger and automatically illuminate the relevant power control, no matter where on the surface the pan is placed.

<b>Dimensions</b>	900mmW x 45mmH x 510mmD
<b>Finish</b>	Black ceramic glass surface with stainless steel trim
<b>Capacity</b>	4 zones and 1 burner Centre left (gas burner) 21.6 mj/hr Front centre* 230x180mm 2100W   boost 3600W Rear centre *230x180mm 2100W   boost 3600W Front right* 230x180mm 2100W   boost 3600W Rear right* 230x180mm 2100W   boost 3600W *These zones feature Surface Share
<b>Power Levels</b>	9 heat settings per zone + 1 boost setting per zone 3 auto-regulated temperatures J 42°C, JJ 70°C, JJJ 94°C
<b>Warranty</b>	Five years parts and labour
