SMEG VICTORIA COMPACT COMBI STEAM OVEN, BLACK ENAMEL

COMBI STEAM

Following the trends for professional-style cooking, Smeg's new Combi Steam ovens combine conventional multifunction cooking with the addition of steam - offering a whole new world of versatility for cooking at home. From gently steamed custards, to glossy bread, to a full roast dinner, all can be achieved with ease and convenience.

VAPOUR CLEAN

Smeg's Ever Clean enamel's tough surface has a glassy finish, so a simple spray of water and detergent around the cavity in conjunction with the Vapour Clean option will generate heat and steam to soften any grease for a wipe-clean result.

EVER CLEAN ENAMEL

The superior quality of Smeg's patented Ever Clean enamel, which is highly durable and easy to clean, is the result of nearly 70 years of enameling expertise; ensuring long-life performance of every Smeg oven.

SMARTSENSE

Smeg's SmartSense intuitive program selection is easy-to-read in the large LCD panel. Effortlessly select oven functions, temperature and time for cooking; enter the time you want your meal to be ready and your delay start is calculated for you; or cook 20 pre-programmed favourites at the flick of a button.

SOFT CLOSE DOOR

The new soft-close mechanism on Smeg's oven doors ensures a two-stage soft and quiet close. Smeg's quality hinges also ensure the door will not drop on opening, an intrinsic safety feature.

EAN 8017709235963

Finish	Black enamel
Total functions	16
Display	Large LCD
Capacity	50 litres
Cooking levels	3
Water tank capacity	1.2 litres
Thermostat	30 - 250°C
